STORYBOARDS & REVISIONS ♥ FULLTIME & FREELANCE

susan.nguyen.design@gmail.com ♥ 214-773-4901

As a story artist, I always look for ways to work smarter, not harder. Having worked in production, I consider how my choices as an artist will impact other departments down the pipeline. With the guidance of my directors, I do my best to find creative and efficient solutions to create amazing stories.
